

Golf Manor Synagogue – Safety Protocol

Updated Oct 1, 2020

Symptoms/Exposure

If you are experiencing any symptoms of COVID-19 please stay home. Please consider that for many otherwise healthy people “feeling run down” or “under the weather” may very well be symptoms of COVID-19.

If you have been exposed to COVID-19 please stay home.

Out of town guest who have not been exposed to COVID-19 are welcome to come.

If you have any questions please contact Rabbi Alt (716)316-0426

Seating

Social distanced seating has been marked.

- Pews: “x” indicates a seat that should not be used, all other seats are appropriately distanced.
- Tables:
 - Tables have been spaced appropriately front to back.
 - The seats at opposite ends of the long tables on the lower level are appropriately distanced. The smaller tables in the upper level are one household per table.

Facemasks

Facemasks must be worn at all times in the facility.

Facemasks must be worn properly, covering both nose and mouth.

If you need a “mask-break” please leave the building before removing your mask, feel free to take as many breaks as needed.

Disinfecting

At this point it is no longer necessary to disinfect surfaces. Nonetheless, sharing surfaces should be limited whenever possible.

It is still very important to maintain a very high level of personal hygiene, including cleaning hands as often as needed.
